## Why Philadelphia ??

Philadelphia is the largest city in the Commonwealth of Pennsylvania, the second largest city on the East Coast of the United States, and the fifth-most-populous city in the United States. It is located in the Northeastern United States along the Delaware and Schuylkill rivers, and it is the only consolidated city-county in Pennsylvania. Philadelphia is the economic and cultural Centre of the Delaware Valley, home to over 6 million people and the country's sixth-largest metropolitan area. Popular nicknames for Philadelphia are *Philly* and *The City of Brotherly Love*.

Philadelphia has the second-largest student concentration on the East Coast, with over 120,000 college and university students enrolled within the city and nearly 300,000 in the metropolitan area. There are over 80 colleges, universities, trade, and specialty schools in the Philadelphia region. The city contains three major research universities: the University of Pennsylvania, Drexel University, and Temple University; and the city is home to five schools of medicine: Drexel University College of Medicine, Philadelphia College of Osteopathic Medicine, Temple University School of Medicine, Thomas Jefferson University, and the University of Pennsylvania.

## Why to Attend??

The conference aims at multi-disciplined audience with diverse commercial, technical, corporate, operations, planning sectors of the upstream industry. Meet Your Target Market with members from around the world focused on learning and sharing about Upstream Scientists/Engineers; this is your single best opportunity to reach the largest assemblage of participants from the global Oil industry. Conduct demonstrations, distribute information, meet with current and potential customers, make a splash with a new product line, and receive name recognition at this 3-day event. World-renowned speakers, the most recent techniques, tactics, and the newest breakthroughs in the upstream sector of oil and gas are hallmarks of this conference.
