Percent of population with Kidney Diseases

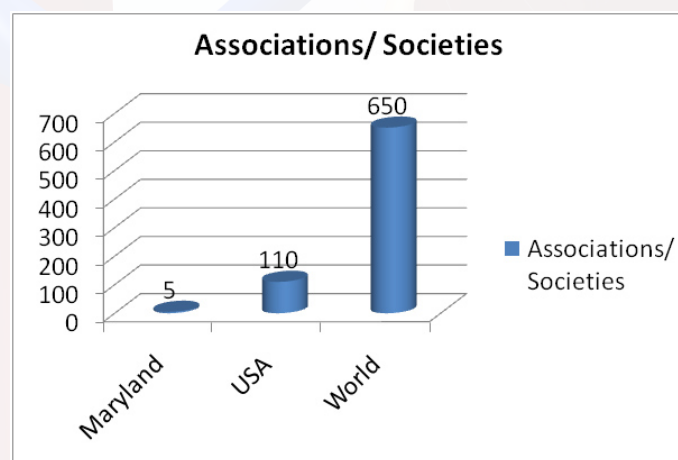

Members Associated with Nephrology Research

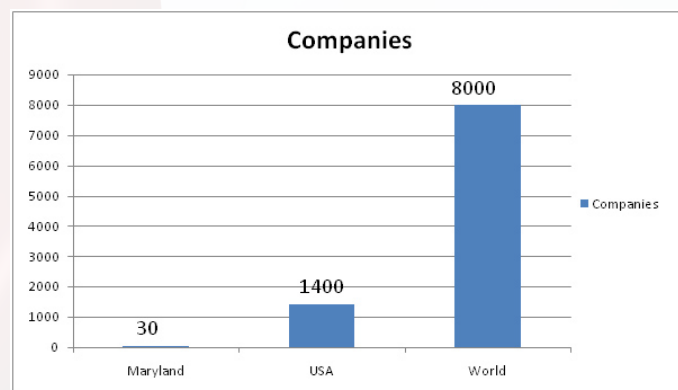

Hospitals Associated with Nephrology Research

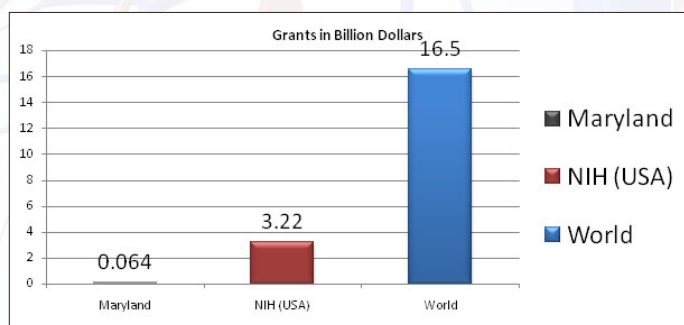

Societies Associated with Nephrology Research

Industries Associated with Nephrology Research

Market Value on Nephrology Research

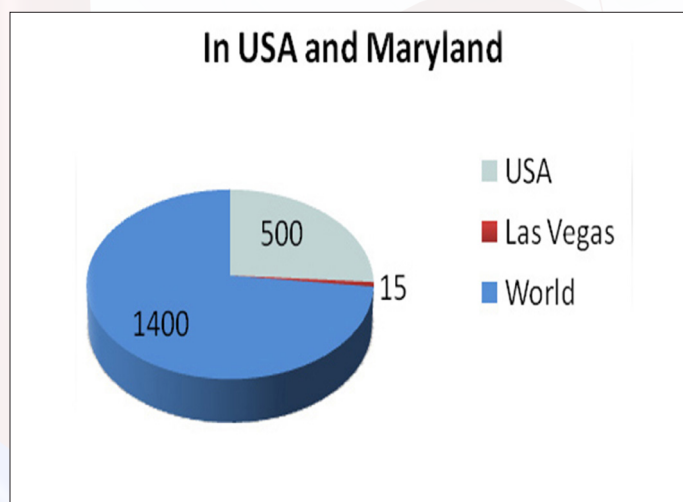

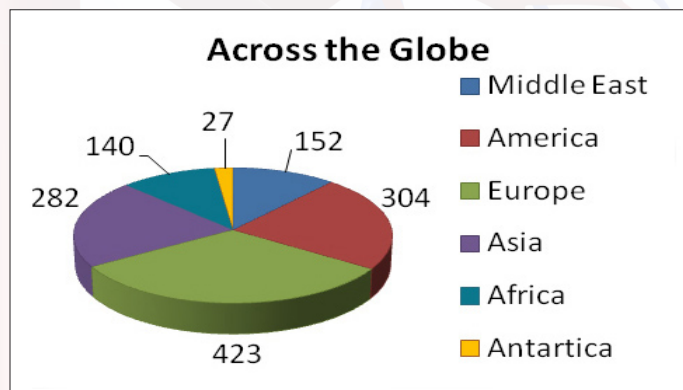

Products manufactured by the industry related Nephrology Research and it's market Value.

Annual sales of some major drugs used in the treatment of Nephrological disorders

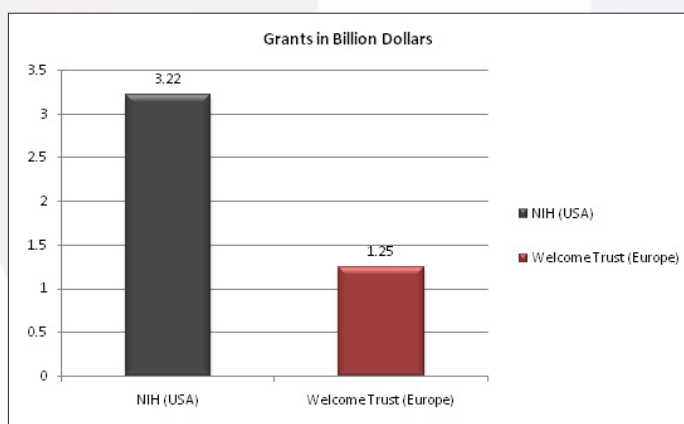

Name of the Drug	Name of the Company	Market Value (in Billion USD)
Procit	Johnson & Johnson	1.41
Epogen	Amgen Pharmaceuticals	2.1
Aranesp	Amgen Pharmaceuticals	2.3
epoetin alfa	Epogen pharmaceuticals	3.8
Venofer	Vifor Pharma Ltd	0.45
Fosrenol	Shire plc	0.375
Lipitor	Pfizer Inc	3

Universities Associated with Nephrology Research

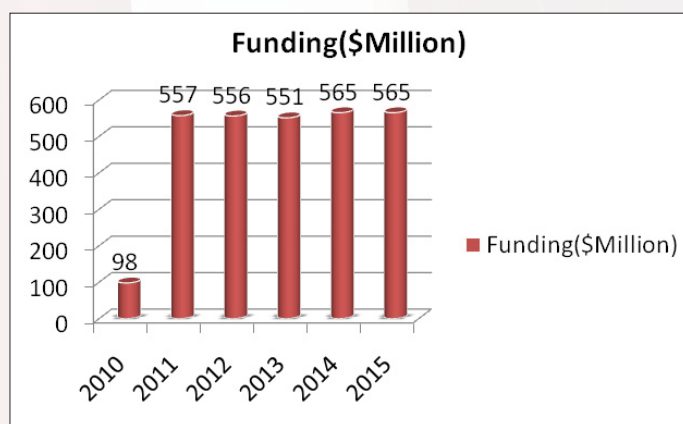

Fund Allotment to Nephrology Research

These are the main societies which provides grants for research in Nephrology

NIH year wise funding only on Kidney Diseases
