Importance & Scope:

Tremendous research was going on in the field of Pharmacy and USA occupies a world's top position in the scientific research. The products of our basic and applied scientific research not only provide us with high-quality jobs and support our high-tech and knowledge economies, but they also define us as an inventive, entrepreneurial society.

American Pharma-2015 is a scientific gathering, in which people from various fields of Pharmacy like eminent Scientists, industrialists, research scholars, academic scientists which aims to exchange and share their research experience in the field. We strongly believe it would be adventitious to the researchers, academic scientists and students to present and discuss about most recent innovations, trends, practical challenges, industrial challenges and solutions adopted in the fields of pharmacy.

Why Philadelphia?

Philadelphia is a historical place, much of it spurred by tourism. Many historical places were located, including Bell, Independence hall, National constitution center, Franklin court, Elfreth's alley and American philosophical society museum. The city has numerous convention centers and venues for trade events, among them the Pennsylvania convention center, Philadelphia convention centers are the main economic engines to the city.

Philadelphia is the largest city in the Commonwealth of Pennsylvania, the fifth-most-populous city in the United States. Philadelphia is the center of economic activity in Pennsylvania. According to the Bureau of Economic Analysis, the Philadelphia area had a total gross metropolitan product of \$347 billion in 2010, the seventh-largest metropolitan economy in the United States. With a gross domestic product of \$388 billion, Philadelphia ranks ninth among world cities and fourth in the nation. The city is also the nation's fourth-largest consumer media market, as ranked by the Nielsen Media Research.

The city is home to the Philadelphia Stock Exchange and several Fortune 500 companies, including cable television and internet provider Comcast, insurance companies Colonial Penn, CIGNA and Lincoln Financial Group, energy company Sunoco, food services company Aramark and Crown Holdings Incorporated, chemical

makers Rohm and Haas Company and FMC Corporation, pharmaceutical companies Wyeth and GlaxoSmithKline and Boeing Rotorcraft Systems.

Conference Highlights:

- Pharmacological Sciences
- Bio-Pharmaceutical Sciences
- Pharmacognosy, Pharmaceutical Chemistry and Phytochemistry
- Nanotechnology
- Bioinformatics and Biotechnology
- Genetics, Genetic Engineering and Biomedical Engineering
- Drugs and Regulations
- Industrial Pharmacy
- Radiopharmaceuticals
- Ethics in Pharmacy

Why to Attend???

With members from around the world focused on learning about Advertising and marketing, this is your single best opportunity to reach the largest assemblage of participants from the scientific community. Conduct demonstrations, distribute information, know about recent innovations, and receive name recognition at this event. World-renowned speakers, the most recent techniques, tactics, and the newest updates in Pharmacy field are hallmarks of this conference.

A Unique Opportunity for Advertisers and Sponsors at this International event: <http://american.pharmaceuticalconferences.com/sponsors.php>

Major Pharma Associations around the Globe

- Academy of Managed Care Pharmacy (AMCP), Alexandria, VA
- American Association of Pakistani Pharmaceutical Scientists
- British Columbia Pharmacy Association
- California Pharmacists Association
- Kansas Pharmacists Association
- Ohio Pharmacists Association

Pharmacy Guild of Australia
 World Health Organization (WHO)

Major Pharma Associations in USA

- American Association of Colleges of Pharmacy
- American Pharmacists Association
- American Society for Pharmacy Law
- American Society of Consultant Pharmacists Foundation
- American Society of Consultant Pharmacists
- American Society of Health-System Pharmacists
- Professional Compounding Centers of America

Target Audience:

- Professors, Associate Professors, Assistant Professors
- PhD Scholars
- Graduates and Post Graduates
- Directors, CEO's of Organizations
- Association, Association presidents and professionals
- Noble laureates in Health Care and Medicine
- Bio instruments Professionals
- Bio-informatics Professionals
- Software development companies
- Research Institutes and members
- Supply Chain companies
- Manufacturing Companies
- CRO and DATA management Companies
- Training Institutes
- Business Entrepreneurs

Target Audience:

Industry 60%

Academia 30%
 Others 10%
