International Conference on
3D Printing & Technology

Frankfurt, Germany

July 05-06, 2017

<http://3dprinting.conferenceseries.com/>

**3D Printing
2017**

Dear Colleagues,

*Allied Academies is delighted to welcome you to Frankfurt, Germany for the prestigious **International Conference on 3D Printing & Technology**. 3D Printing & Technology 2017 will focus on the theme “**Showcasing Innovations in 3D Printing**”. We are confident that you will enjoy the Scientific Program and associated expo of this upcoming conference.*

*With Regards,
3D Printing & Technology 2017 Scientific Committee
Allied Academies Conferences*

Editorial Board Members of Supporting Journals:

Adrian Preda

University of California, USA

Marc D Donohue

Johns Hopkins University, USA

Kota. V Ramana

The University of Texas Medical Branch, USA

Sarath Chandra J

University of Illinois USA

John HT Luong

University College Cork, Canada

M R M Tehrani

Tehran University of Medical sciences, Iran

C. Cruz

University of Beira Interior, Portugal

Samasca Gabriel

University of Medicine and Pharmacy
Romania

**3D Printing
2017**

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for 3D Printing & Technology 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of 3D Printing & Technology

About Germany

Frankfurt is the largest city in the German state of Hesse and the fifth-largest city in Germany, with a 2015 population of 731,095 within its administrative boundaries. The urban area called Frankfurt Rhein-Main has a population of 2,221,910. The city is at the centre of the larger Frankfurt Rhine-Main Metropolitan Region which has a population of 5,500,000 and is Germany's second-largest metropolitan region. Frankfurt is home to many cultural and educational institutions, including the Goethe University and Frankfurt University of Applied Sciences, many museums and two major botanical gardens: the Palmengarten and the Botanical Garden of Goethe University. Frankfurt is a global hub for commerce, culture, education, tourism and traffic. It is the most important financial centre on the European mainland, with the HQs of the European Central Bank, German Federal Bank, Frankfurt Stock Exchange, Deutsche Bank, Commerzbank, DZ Bank, KfW, several fintech start-ups and other institutes. Messe Frankfurt is one of the world's largest trade fairs. Major fairs include the Frankfurt Motor Show, the world's largest motor show, and the Frankfurt Book Fair, the world's largest book fair. Frankfurt has many high-rise buildings in the city centre, forming the Frankfurt skyline. It is one of the few cities in the
