Ohio State University, USA
Yu Shyr
VICC Cancer Biostatistics Centre, USA
Ventseslav Valev
Bulgarian Academy of Sciences, Bulgaria
Yang Zhang
University of Manitoba, Canada
Program Announcement

Venue
DoubleTree by Hilton Baltimore-BWI Airport
890 Elkridge Landing Road, Linthicum
Maryland, 21090, USA
Tel: +1-410-859-8400, Fax: +1-410-684-6778

Important Dates
Abstract submission opens: June 20, 2013
Registration opens: June 20, 2013
Early bird registration: April 21, 2014
On spot registration: October 20, 2014

Accommodation
A large number of rooms have been reserved. Discounted room rates for Biostatistics-2014 participants are proposed. Only reservations made through the Conference will benefit these rates. The Conference Center can be easily reached by public transportation.

Exhibition and Sponsorship
An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Biometrics & Biostatistics.

About Baltimore
Baltimore is the largest independent city in the United States and the largest city and cultural center of the U.S. state of Maryland. The city is located in central Maryland along the tidal portion of the Patapsco River, an arm of the Chesapeake Bay. Baltimore is sometimes referred to as Baltimore City in order to distinguish it from surrounding Baltimore County. Baltimore is a major U.S seaport and is situated closer to major Midwestern markets than any other major seaport on the East Coast. Baltimore's Inner Harbor was once the second leading port of entry for immigrants to the United States and a major manufacturing center. The harbor is now home to Harbor place, a shopping, entertainment, and tourist center, and the National Aquarium in Baltimore. After a decline in manufacturing, Baltimore shifted to a service-oriented economy. Johns Hopkins University and Johns Hopkins Hospital are now the city's largest employers.

Baltimore is divided officially into nine geographical regions: Northern, Northwestern, Northeastern, Western, Central, Eastern, Southern, Southwestern, and Southeastern, with each patrolled by a respective Baltimore Police Department district. However, it is common for locals to divide the city simply by East or West Baltimore, using Charles Street as a dividing line, and/or into North and South using Baltimore Street as a dividing line.
