## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Agriculture & Horticulture .

## About Cape Town

Surrounded by the ocean and the mountain, with a national park as its heart, there is nowhere like Cape Town. Cape Town, the centre and the oldest city in South Africa standing as a cultural heritage spanning more than 300 years. The unique topography and ecology of the city makes it more attractive and beautiful with Table Mountain, Robben Island, Table Bay and the west coast of Africa which surround this beautiful city.

Cape Town ranks second among the most populous urban areas in South Africa, after Johannesburg and the 10th most populous city in Africa. It is also the provincial capital and primate city of the Western Cape, South Africa. Also Cape Town is the main economic and industrial hub of the Western Cape Province, South Africa's second main and Africa's third main economic hub city.

As the seat of the National Parliament, it is also the legislative capital of the country. The city is one of the most attractive tourist spots of Africa as having important landmarks like Table Mountain, Floristic Regions, City Hall, Bo-Kaap, Vineyards etc. It is one of the most multicultural cities in the world. The city reflects history of immigrants and expatriates of South Africa. In 2014, Cape Town was named the best place in the world to visit (by The New York Times and The Telegraph).

Cape Town is one of the most beautiful cities in world and is full of attractions and activities. Between beautiful Cape Dutch homesteads, traditional dancers with painted faces performing in the streets, the smell of spicy Malay cooking and the taste of a well-made wine, this city will fill your senses. City is surrounded by mountains and ocean which make it best for a tourist spot. City is a biodiversity hotspot and having wide range of species which definitely worth a visit. From the beaches to the mountains with the award winning wine farms and biodiversity parks - visiting Cape Town will not be forgotten. The Kirstenbosch Botanical Garden, internationally acclaimed as one of the great botanical gardens of the world.
