## Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Atherosclerosis 2016, newsletters (Approximately 1,00,000 email recipients) and the final program book.

**NOTE:** No separate industry or corporate events may be held during the Conference period (July 11, 07:30AM to July 12, 06:00 PM) without an agreement in writing from the Atherosclerosis 2016 Organizers.
