Program Announcement

Venue

Chicago, USA

Important Dates

Abstract submission opens: August 01, 2016

Registration opens: August 01, 2016

Early bird registration: September 20, 2016

On spot registration: July 17, 2017

Accommodation

A large number of rooms have been reserved. Discounted room rates for Tumor & Cancer Immunology 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Interventional and Molecular cardiology

About Chicago

Chicago is among the largest cities in the U.S. Famed for its bold architecture, the population of the city is 2,695,598 and rank 3rd largest city in USA. Chicago had the third largest gross metropolitan product in the United States at US\$571billion. With over 2.7 million residents, it is the most populous city in the state of Illinois and the Midwest. Chicago is the third most populous city in the United States. The city is an international hub for finance, commerce, industry, technology, telecommunications, and transportation; with O'Hare International Airport being the busiest airport in the world. Chicago was listed as an alpha global city by the Globalization and World Cities Research Network. Chicago is being recognized as major world financial center, with the second largest central business district in the United States. The city is also renowned for its museums, including the Art Institute and its expansive collections, including noted Impressionist works. Chicago is a major transportation hub in the United States. It is an important component in global distribution, as it is the third largest inter-modal port in the world after Hong Kong and Singapore.

We look forward to seeing you in Chicago
