# Program Announcement

## Venue

DoubleTree by Hilton Philadelphia Airport  
4509 Island Ave  
Philadelphia, PA 19153  
Pennsylvania, USA

## Important Dates

Abstract submission opens: January 04, 2016  
Registration opens: January 04, 2016  
On spot registration: December 08, 2016

## Accommodation

A large number of rooms have been reserved. Discounted room rates for Cardiac Surgery 2016 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Pharma, Biotech and Medical Devices.

## About Philadelphia, USA

Philadelphia is the largest city in the Commonwealth of Pennsylvania and the fifth-most-populous city in the United States. It is located in the Northeastern United States along the Delaware and Schuylkill rivers, and it is the only consolidated city-county in Pennsylvania. Popular nicknames for Philadelphia are Philly and The City of Brotherly Love. Philadelphia is the economic and cultural center of the Delaware Valley, home to 6 million people and the country's fifth-largest metropolitan area. In 1682, William Penn founded the city to serve as capital of Pennsylvania Colony. Philadelphia has shifted to an information and service-based economy. Financial activities account for the largest sector of the metro economy, and it is one of the largest health education and research centers in the United States.

The city is also the nation's fourth-largest consumer media market, as ranked by the Nielsen Media Research. Philadelphia is known for its arts and culture. The cheesesteak and soft pretzel are emblematic of Philadelphia cuisine, which is shaped by the city's ethnic mix. The city has more outdoor sculptures and murals than any other American city. Philadelphia's Fairmount Park is the largest landscaped urban park in the world. Summers are typically hot and muggy, fall and spring are generally mild, and winter is cold.
