Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Cardiologists 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Cardiology.

About Paris

Paris is the capital of France and the most populous city of France. It has an area of 105 km² and a population of 2,229,621 in 2013 within the city limits. Paris is both a commune and department, and forms the centre and headquarters of the France, or Paris Region, which has an area of 12,012 square kilometers and a population in 2014 of 12,005,077, comprising the 18.2 percent of the population of France. Paris was founded in the 3rd century BC by a Celtic people called the Parisii, who gave the city name by its. By the time of 12th century, Paris was the largest city in the western world, and a prosperous trading center, and the home of the University of Paris, one of the oldest and best universities in history. By the time of 18th century in Europe's it was one of major centres of commerce, finance, fashion, science, and the arts, and it retains that position still today.

In Paris' important museums and cultural institutions are the most visited art museum in the world, and the Louvre, the Musée d'Orsay, became famous for its collection of French Impressionist art, and the Musée National d'Art Moderne in the Pompidou Centre, are the largest collection of modern and contemporary art in Europe. The midmost area of Paris is covered by the Seine River and it is classified as a UNESCO Heritage Site, and it includes many notable monuments, including Notre Dame Cathedral, the Sainte-Chapelle, the Eiffel Tower, the Grand and Petit Palais and the Basilica of Sacré-Cœur on Montmartre. In 2015 Paris received 22.2 million visitors, and making it one of the world's top tourist destinations. The association football club Paris Saint-Germain and the rugby union club Stade Français are based in Paris. The city is also a major rail, highway, and air-transport hub, served by the two international airports Paris-Charles de Gaulle and Paris-Orly.

Venue

Paris, France
