

5th World Congress on

Chemical Engineering and Catalysis

August 27-28
2018
Tokyo, Japan

Theme:
Innovation Integration
in the field of Chemical
Engineering and Catalysis

Dear Potential Sponsor/Exhibitor,

Conference Series, the World Class Scientific Events Organizer is hosting 5th World Congress on Chemical Engineering and Catalysis during August 27-28 2018 at Tokyo, Japan.

We warmly invite you to sponsor/attend/give a speech at Catalysis 2018.

Conference Series Conferences deliver new ideas, convictions, strategies, and tactics that directly affect how you do business. No other event will offer a more impressive roster of keynote speakers, quality attendees and compelling content.

This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge.

The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people.

When becoming our partner, we will do our outmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

The main theme of Catalysis 2018 is "Innovation Integration in the field of Chemical Engineering and Catalysis".

Catalysis 2018 stands for advertising of the products/services of the companies in the Composite Materials core sectors shall be placed in the exhibition area throughout the Conference.

We have the pleasure to invite and welcome you for the participation to our exciting conference. Let us meet in one of the most glorious cities in the world.

Best Regards,
Catalysis 2018
Operating Committee

Journals

The Conference is supported by the Editors of-

Benefits/Advantages

Scope of enhancing marketing opportunities and collaborations

Exposure of your corporate logo in our Catalysis 2018 conference website

Advertising high quality information of your company/products by linking through International Journals

Interaction with World Class Experts from both Academia/Industries helps in updating the knowledge at interactive sessions

Share your excitement in promoting your company and ideas with Eminent Scientists, Research Scholars & Related Companies

Global networking: In transferring and exchanging Ideas

Conference brings together Eminent Researchers, Business Entrepreneurs and Industry Developers

We are looking forward for your active participation and make this event a memorable one

B2B Partnering

Catalysis 2018 conference has an excellent feature which aims at delivering unlimited opportunities for making business deals, product enhancements, cutting edge solutions for improving and elevating company's business and partnership. This unites all the leading industry professionals, business development executives, institutional investors, capitalists and corporate investors.

We expect your precious comments or suggestions on the structure of our Scientific Partnering, also your reference to other delegates will be highly appreciated. We look forward to receive your replies on the following questions.

Are you interested in joining as our Scientific Partnering partner?

1. What are you looking for? (Interaction with researchers, commercial partners, venture capital companies or any collaboration)
2. Do you have any suggestions for our Scientific Partnering?

Please submit your queries by email to: catalysis@chemseries.com, catalysis@conferencesworld.org Fax: +1-650-618-1414

Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Catalysis 2018, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (July 11, 07:00 AM to July 12, 11:00 PM) without an agreement in writing from the Catalysis 2018 Organizers.
