University of Bologna, Italy

**Aibing Yu**  
University of New South Wales

# Program Announcement

## Venue

Courtyard Berlin City Center  
Axel-Springer-Straße 55  
10117 Berlin, Germany

## Important Dates

Abstract submission opens: September 10, 2015  
Registration opens: September 20, 2015  
Early bird registration: December 21, 2015  
On spot registration: July 25, 2016

## Accommodation

A large number of rooms have been reserved. Discounted room rates for Ceramics 2016 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Ceramics and Composite Materials.

## About Berlin

Berlin is also one of the 16 states of Germany. With a population of 3.5 million people, Berlin is Germany's largest city. It is the second most populous city proper and the seventh most populous urban area in the European Union.

Berlin, Germany's capital and cultural center, dates to the 13th century. Divided during the Cold War, today it's known for its art scene, nightlife and modern architecture, such as Mies van der Rohe's landmark Neue Nationalgalerie. Reminders of the city's turbulent 20th-century history include its Holocaust Memorial and the Berlin Wall's graffitied remains. Its 18th-century Brandenburg Gate has become an iconic symbol of reunification.

Berlin is a world city of culture, politics, media, and science. Its economy is based on high-tech firms and the service sector, encompassing a diverse range of creative industries, research facilities, media corporations, and convention venues.

Berlin serves as a continental hub for air and rail traffic and has a highly complex public transportation network. The metropolis is a popular tourist destination. Significant industries also include IT, pharmaceuticals, biomedical engineering, clean tech, biotechnology, construction, and electronics. Modern Berlin is home to renowned universities, orchestras, museums, entertainment venues, and is host to many sporting events.

Over the last decade Berlin has seen the emergence of a cosmopolitan entrepreneurial scene. The city is well known for its festivals, diverse architecture, nightlife, contemporary arts, and a high quality of living.
