## **Accommodation**

A large number of rooms have been reserved. Discounted room rates for 7th Annual Congress on Clinical Microbiology participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

## **Exhibition and Sponsorship**

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Microbial Ecology.

## **About Chicago**

Chicago, officially the City of Chicago, is the third-most populous city in the United States. With over 2.7 million residents, it is the most populous city in the state of Illinois and the Midwestern United States, and the countyseat of Cook County. The Chicago metropolitan area, often referred to as Chicagoland, has nearly 10 million people and is the third-largest in the U.S.A attractions around every corner, from high-flying observatories to Millennium Park where art and music mix with lots of room to play, you'll find fun every day of the year. And special events mean there's always something new to see. Grab your family and go!

Explore amazing Navy Pier, and discover the thrilling rides, activities, dining, shopping, museums, and cityscape views that make it the top destination in the Midwest. Don't miss special events like Winter WonderFest and other festivals, huge expositions showcasing flowers, sailboats, art, and toys - to name just a few, and dazzling summertime and holiday fireworks. Not sure what to see first? Take a tour! Knowledgeable and entertaining guides will show you the sights known around the globe or to the unique architecture, food, and other places that tap into your special passions.
