Welcome Message

My Dear Fellows,

Clinical Trials has been expanding by leaps and bounds in developing new therapeutics, treatments and diagnostics for various diseases. The global clinical trials market has been estimated to reach \$14.2 billion in 2016 and is projected to reach around \$22 billion by the year 2021, growing at 7.5% of CAGR.

Keeping the potentiality of Clinical Research, Conference Series LLC is hosting the “4th International Conference on Clinical Trials” (Clinical Trials 2017) during **September 11-13, 2017 in San Antonio, Texas, USA** with the theme **An Insight into Innovative Approaches in Global Clinical Research and Clinical Trials**. This event will include thought-provoking Keynote lectures, Plenary talks, Special sessions, Symposia, Exhibitions, Oral and Poster presentations as well as Career Development Programs.

Clinical Trials 2017 is one of the most important clinical trials conference that brings together clinical research and clinical trials professionals, Medical directors, Principal investigators, Methodologists, Study sponsors, CROs, CMOs, Clinical research sites, Academicians: university faculties like directors, deans, professors, Research scholars, Students and industry professionals from Biotech, Biomedical, Medical devices and Pharmaceutical industries as well as related Associations & Societies.

Clinical Trials 2017 will give you the opportunity to meet experts from around the world, present your own discovery or work, as well as interact with your peers. Furthermore, the stimulating scientific program will help enrich you both professionally and socially and provide you the chance to keep in touch with other participants for establishing future collaborations.

With Best wishes,
Clinical Trials 2017 Organizing Committee

Organizing Committee

Oleg V. Tcheremissine
Carolinas Healthcare System,
USA

Clayton A. Dehn
Clinical Trials of Texas, Inc.,
USA

David M Vulcano
Hospital Corporation of
America, USA

Scott Gelfand
Oklahoma State University,
USA

Paul Michael Ramirez
CNS Ratings LLC, USA

Milan Satia
Ethicare Clinical Trial
Services, India

Wessam Sonbol
Delve Health, USA

Entsuah Anthony Richard
Merck & Co., Inc., USA

Pramod Jog
International Pediatric
Association, India

Katarzyna Anna Rygiel
Silesian University School of
Medicine, Poland

Joao Paulo Tardivo
Faculty of Medicine of ABC,
Brazil

Amr Amin
UAE University, UAE

Major Scientific Sessions

- Drug Discovery and Development
- Preclinical Research
- Clinical Study Designs
- Conducts of Clinical Trials
- Patient-Centric Clinical Trials
- Research and Trials on AIDS / Cancer / Diabetes
- Clinical Trials on different Diseases
- Clinical Data Management and Statistics
- Globalization of Clinical Trials
- Innovations in Clinical Trials
- Future of Clinical Trials
- CRO/Sponsorship Clinical Trials
- Clinical Trial Site Management and Business Development
- Outsourcing in Clinical Trials
- Bioethics and Quality Regulation
- Clinical and Medical Case Reports
- Pharmacovigilance and Drug Safety

Speaker Opportunity Available

We invite you to attend and give a talk on the topic of expertise to share views and research with your peers at this event.

Submit your abstract today at:

<http://clinicaltrials.conferenceseries.com/abstract-submission.php>

or Email us at:

clinicaltrials@pharmaceuticalconferences.org

Benefits for Speakers and Delegates:

- Access to all Scientific and Technical Sessions
- Complete Conference Kit
- Certificate Accreditation by the International Organizing Committee
- Abstracts will be published in conference souvenirs & Related International Journals
- Abstracts will be provided with Digital Object Identifier by cross reference
- Publication of paper with reduced fee
- Pre-Conference and Post-Conference Networking
- Networking and collaborating with peer researchers and industrial personals
- B2B meetings/Scientific networking for Research collaborations
- Tourist information/assistance to visit attractive places

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers
- Actively distribute information and promote the benefits of education and career matters

Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Sponsor/Exhibit at Clinical Trials 2017

For our exhibitors, we offer

- One exhibit booth (Size-3X3 sqm)
- One complimentary scientific program registration
- 1 page publication of the exhibitor profile in the souvenir- *Clinical Trials 2017*
- Promotion through the conference website
