

6<sup>th</sup> International Conference on  
**Chronic Obstructive  
Pulmonary Disease**

May 17-18,  
2018  
Tokyo, Japan

Theme:  
COPD Today:  
Clinical and  
Research Issues

Dear Colleagues,

Conference Series is delighted to welcome you to Tokyo, Japan for the prestigious 6<sup>th</sup> International Conference on Chronic Obstructive Pulmonary Disease.

COPD 2018 will focus on the theme "COPD Today: Clinical and Research Issues". We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Tokyo, Japan.

With Regards,  
COPD 2018 Operating Committee  
Conference Series Conferences

## Editorial Board Members of Supporting Journals:

Ibrahim Faruqi

University of Florida, USA

Vera P Krymskaya

University of Pennsylvania Medical  
Center, USA

Alan Fujii

Boston University, USA

Florian Lang

University of Tübingen, Germany

Kamal A Mohammed

University of Florida, USA

Alan Fujii

Boston University, USA

Stephen P Peters

Wake Forest School of Medicine, USA

Roberto F Machado

University of Illinois Chicago, USA

### Accommodation

A large number of rooms have been reserved. Discounted room rates for COPD 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

### Exhibition and Sponsorship

Exhibitions will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths.

### About Tokyo

Tokyo, the capital city of the parliamentary democratic monarchy of Japan, is also home to the Emperor's Palace and the seat of Government and Parliament. In East-Central Honshu, the largest of Japan's main islands, this heavily populated city is well worth exploring. The cultural side of Tokyo is famous for its numerous museums; theaters; festivals; internationally noted cuisine; and professional sports clubs, including baseball, football (or soccer), along with traditional Japanese pursuits like Sumo Wrestling. It's also a city rich in music and theater, with numerous venues featuring everything from Japanese to modern dramas, symphony orchestras, and pop and rock concerts.

The chief attraction of Tokyo's Marunouchi district is the Imperial Palace with its beautiful 17th-century parks surrounded by walls and moats. Ginza is Tokyo's busiest shopping area and is as iconic as Times Square in New York, and much older: it's been the commercial center of the country for centuries, and is where five ancient roads connecting Japan's major cities all met. Dedicated to Kannon, the Buddhist goddess of compassion, Senso-ji Temple was established in AD 645 and retains its original appearance despite having been rebuilt numerous times. National Museum of Nature and Science (Kokuritsu Kagaku Hakubutsukan) opened in 1871 and is one of the country's oldest museums. The museum houses a vast collection of materials related to natural history and science, including many fascinating interactive displays on space development, nuclear energy, and transportation. Ueno Park is the city's largest green space and one of its most popular tourist attractions.

## Important Dates

Abstract Submission Opens: June 26, 2017

First phase of abstract submission: November 17, 2017

Early bird registration: November 17, 2017

## Venue

Hilton Narita Hotel,  
456 Kosuge, Narita,  
Chiba Prefecture 286-0127, Tokyo, Japan

## Abstract Submission
