An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Nursing and Nursing Education.

About Melbourne

Melbourne is Victoria’s capital city and a vibrant hub of business, culture, sport, style, and dining. The whole population of Melbourne is about 4.5 million and its metropolitan area covers 9990.5 km². The Melbourne city population comprises people from all age groups and from varied cultures. The residents include young experts, international students and more older couples hoping to appreciate everything the city offers. On a normal weekday around 909,000 individuals utilize the city, and every year Melbourne has over a million global guests. The city of Melbourne works with many local councils and the Victorian Government to guarantee that Melbourne is one of the most secure, healthiest and cleanest cities in the world. This makes Melbourne’s as Australia’s pre-famous centre for arts and culture, education, eating and shopping. Melbourne occupants enjoy a mild climate as it is located at the apex of one of the world’s biggest bay, Port Phillip Bay. English is the official language, however more than 100 dialects are spoken by its residents.

Melbourne’s tourist’s spots are set on rolling terrains offering stunning landscapes for guests which include Great Ocean Road, Phillip Island and Penguins, St. Paul Cathedral Melbourne, The Melbourne Museum, Monuments and dedications, Queen Victoria Gardens and Fitzroy Gardens.
