An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of dentistry.

About Macau

Macau is the capital of Hong Kong, boasting gleaming skyscrapers, colonial architecture, charming locals, myriad of natural attractions and trendy nightspot. Macau is widely recognized for numerous landmarks, including the world's tallest twin skyscrapers (Petronas Twin Towers), Pedaling Street flea market, Batu Caves more than 400 million years old and shopping malls. Macau offers a mouth-watering mix of Asian culinary traditions for the food lovers.

Macau is vibrant mix and incense-wreathed, colorfully decorated mosques and temples of the country's Malay, Chinese and Indian communities. An admiration for these ancient cultures is well balanced with a drive to be plugged into the modern world, as evidenced by an exciting contemporary art and design scene and a buzzing digital economy.

Hong Kong is favorite destination for many multinational companies. Hong Kongn government is dedicated to create a dynamic and progressive business environment to ensure potential investors are drawn into a thriving economy. More than 3,600 MSC-status companies from 40+ countries operating in Hong Kong. Skill specific programs are structured to continuously develop entrepreneurs and businesses to obtain relevant knowledge.
