A large number of rooms have been reserved. Discounted room rates for Ecology 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Ecology and Ecosystem.

About Berlin

Berlin is the capital of the Federal Republic of Germany. The President of Germany, whose functions are mainly ceremonial under the German constitution, has his official residence in Scholes Bellevue. It is one of the best cities to organize an international conference, Berlin is the fastest growing city in the Germany with an excellent economic growth although restrictions for specific goods, such as tobacco, alcohol and perfume persists. Many Germans also speak good English, so there should not be any language barriers for foreign visitors. Germany has a warm, temperate, wet climate with westerly winds. Extreme fluctuations in temperature are rare. Rain falls throughout the year.

Berlin's industry is at the forefront of innovation with 3.6 percent of the GNP, Berlin makes the second highest investment in research and development in the country. About 61 percent of R&D spending goes to the very pronounced publicly funded and university research landscape. Industry receives about a 27-percent share. Berlin is unique in that science as a resource is available to industrial companies in a highly compact manner and offers companies excellent cooperation opportunities. Berlin is Germany's top tourist city destination. It is a great city to visit, mixing venues of historical interest with exciting recreation and entertainment opportunities. Alongside its major historical sites, Berlin offers a diverse range of top attractions – world famous buildings, museums, city parks, cabaret theatres, festivals and of course plenty of shopping opportunities. Ecology Conference 2018 at Berlin will certainly give a wonderful experience to attendees to explore the beautiful city with gaining knowledge
