

7th Global Congress on Gastroenterology & Endoscopy

Atlanta, Georgia, USA September 12-14, 2016

Initial Announcement

Dear Colleagues,

OMICS International Gastroenterology 2016 Conference Committee is delighted to welcome all the **Professional experts, Gastrologists, gastroenterologists, endoscopic experts, internal medicine experts, Primary Care Physicians and Treatment providers** to Atlanta, USA for the 7th Global Congress on Gastroenterology & Endoscopy.

Gastroenterology 2016 will focus on the various latest gastroenterological techniques and strategies to overcome prevent and post treatment care of some deadly disorders/ syndromes. The conference will conduct several prestigious talk sessions based on the expert's personal practices revolving around the theme "Discovering Grey Zones in Gastroenterology". We are confident that you will enjoy the Scientific Program of this upcoming Conference which will help you for the better healthcare facilities in the recent future.

We look forward to see you at Atlanta, USA.

With Regards

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Gastroenterology.

About Atlanta

Atlanta is the capital of and the most populous city in the U.S. state of Georgia, with an estimated 2013 population of 447,841. Atlanta is the cultural and economic center of the Atlanta metropolitan area, home to 5,522,942 people and the ninth largest metropolitan area in the United States. Atlanta was established in 1837 at the intersection of two railroad lines, and the city rose from the ashes of the Civil War to become a national center of commerce.

Atlanta is considered an “alpha-” or “world city”, ranking 36th among world cities and 8th in the nation with a gross domestic product of \$270 billion. Atlanta’s economy is considered diverse, with dominant sectors including logistics, professional and business services, media operations, and information technology. Topographically, Atlanta is marked by rolling hills and dense tree coverage.[20] Revitalization of Atlanta’s neighborhoods, initially spurred by the 1996 Olympics, has intensified in the 21st century, altering the city’s demographics, politics, and culture.

Atlanta attained international prominence. Atlanta is the primary transportation hub of the Southeastern United States, via highway, railroad, and air, with Hartsfield–Jackson Atlanta International Airport being the world’s busiest airport since 1998.
