Invitation

On behalf of Gastroenterology 2016 Organizing Committee, we are pleased to invite Gastroenterology expertise, researchers, professors, scientific communities, Gastroenterologists, delegates, students, business professionals and executives to attend the 7th Global Congress on Gastroenterology & Endoscopy which is to be held on September 12-14, 2016 Atlanta, Georgia, USA. Special interest and theme of the conference is “Discovering Grey Zones in Gastroenterology”.

Gastroenterology 2016 mainly focuses on the latest diagnostic and therapeutic techniques for gastric diseases. The Gastroenterology conference discusses the latest research outcomes and technological advancements in the field and brings together leading Gastroenterologists, surgeons, physicians, research scholars, students along with industrial and pharma professionals to exchange share their views on critical aspects of gastroenterology research. This event brings together Presidents and Eminent Personalities to explore opportunities on emerging platforms in the field of gastrointestinal therapeutics. With members from around the world focused on learning about latest diagnostic and treatment procedures of various gastrointestinal diseases and all the related aspects of gastrointestinal diseases this is your best opportunity to reach the largest assemblage of participants from the entire world. From the workshop and speech of the eminent people of gastroenterology, you can update your knowledge about current situation of gastroenterology and receive name and recognition at this 3-day event. World-renowned speakers with their ultimate talks on the most recent techniques, tactics, and the avant garde technologies in gastrointestinal therapeutics are the hallmarks of this Gastroenterology conference.

- Networking with Experts in the Field
- Best Poster Young Researcher Award
- The Career Guidance Workshops to the Graduates, Doctorates and Post-Doctoral Fellows

Opportunities @ Gastroenterology 2016

- Speaker Presentation
- Poster Competition
- Symposium Organizing
- Workshop Session Proposal
- Young Research Forum/ Student Fellowship
- Exhibitor Booth
- Sponsorship (Gold, Silver, Bronze)
- Media Partnership
- Event Collaboration
- Conference Partnering
- E-Poster

The field of Gastroenterology is growing rapidly and its development is making tremendous impacts in Science and Technology. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Benefits from attending Gastroenterology 2016

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following OMICS Group Journals,
 - Journal of Gastrointestinal & Digestive System
 - Journal of Internal Medicine
 - Journal of Infectious Diseases & Therapy
- Participation in sessions on specific topics on which the conference is expected to achieve progress
 - Global networking: In transferring and exchanging ideas
 - Share your excitement in promoting Health care, Clinical R & D
 - Conference brings together Scientific Researchers, Business Entrepreneurs and Pharma, Biotech & Healthcare Industry Developers

Scientific Sessions

- Recent Advances in Inflammatory bowel disease (IBD) Treatment
- GI Bleeding
- Gastrointestinal Oncology
- Gastrointestinal Surgery
- Advances in Liver Diseases
- Advances in Gastrointestinal Diseases
- Clinical Nutrition in Gastrointestinal Disease
- Gastroenterology: Current and Novel Approach
- Gastroenterology: Clinical and Diagnostics
- Treatment or Therapy
- Gastroenteritis and associated Diseases
- Endoscopy
- Endoscopy and Treatment
- Endoscopy and Diagnosis
- GI Endoscopy
- Emerging Therapies for Viral Hepatitis and Liver Fibrosis
- Colonoscopy
- Endoscopic Procedures and Surgeries

Abstract submission and Registration details

Speaker category

All the researchers, experts and doctors (except students) can submit their speaker abstract proposal
<http://gastroenterology.conferenceseries.com/abstract-submission.php>

Young Researcher Forum/ Poster category

Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. can submit their abstracts for poster presentation and competition (Competition enrollment is only for Students) at

- Registered University/Institute will get a prestigious certificate of Annual membership from OMICS Group
- Registered University/Institute can submit a single chapter of their research works in any of the proposed e-books of OMICS Group for free of cost. For more details on e-books, please log on to: <http://esciencecentral.org/ebooks/>
- Registered University/Institute logo will be displayed in the OMICS Group website with a statement "supported by

About Atlanta

Atlanta is the capital of and the most populous city in the U.S. state of Georgia, with an estimated 2013 population of 447,841. Atlanta is the cultural and economic center of the Atlanta metropolitan area, home to 5,522,942 people and the ninth largest metropolitan area in the United States. Atlanta was established in 1837 at the intersection of two railroad lines, and the city rose from the ashes of the Civil War to become a national center of commerce.

Atlanta is considered an “alpha-” or “world city”, ranking 36th among world cities and 8th in the nation with a gross domestic product of \$270 billion. Atlanta’s economy is considered diverse, with dominant sectors including logistics, professional and business services, media operations, and information technology. Topographically, Atlanta is marked by rolling hills and dense tree coverage.[20] Revitalization of Atlanta’s neighborhoods, initially spurred by the 1996 Olympics, has intensified in the 21st century, altering the city’s demographics, politics, and culture.

Atlanta attained international prominence. Atlanta is the primary transportation hub of the Southeastern United States, via highway, railroad, and air, with Hartsfield–Jackson Atlanta International Airport being the world’s busiest airport since 1998.
