About Paris

Paris, France's capital, is a major European city and a global center for art, fashion, gastronomy and culture. Its picturesque 19th-century cityscape is crisscrossed by wide boulevards and the River Seine.

Paris can be seen as the most interesting city of Europe and probably even as one of the most amazing city's worldwide. People from all over the world travel to Paris to discover and experience this fairy-like city. Paris is the city of love, inspiration, art and fashion. The night scene, the Eiffel tower and the warm atmosphere will make you feel directly at home. Paris has a lot of interesting architecture and museums to offer, and is also a Walhalla for shopaholics. A city as Paris is one that everyone should visit and experience.

Paris is synonymous with all that is French. Known throughout the world as the "City of Light" Paris is celebrated for its beautiful city plan, its architecture, museums, bridges, cathedrals, parks, shopping, flea markets, sidewalk cafés, wide and luxurious boulevards, elegant cuisine, and numerous monuments. Paris has always been known to have the aura of romance and mystery and has been the setting for many novels and movies.

A trip to Paris is the perfect get-away. One weekend or a couple of days in Paris will be enough to make you feel one with the city and forget about the daily routine back home.
