Food Packaging 2017

Invitation

L o n d o n , U K

Dear Attendees,

We are glad to announce the **3rd International Conference on Food and Beverage Packaging** to be held in **London, UK** from **August 29-30, 2017** organized by **Conference Series LLC** in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Food Packaging, Food & Beverage Safety Standards, Food Packaging Testing, Food Packaging Solutions, Nanotechnology in Food Packaging, Cost-Effective Packaging Innovation, Novel Food Packaging Technologies in exploring the novel research and innovations in Food and Beverage Packaging Technology.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Food & Beverage Packaging Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **London this August**.

Sincerely,

Food Packaging 2017

Organizing Committee

About Us

Our International Open Access Journals

- **700+** Leading-edge Peer Reviewed Open Access Journals
- **21 Day** Rapid Review Process
- **50000+** Editorial Board Team, **35000+** Reviewers team
- **30 Million Readers** and High Visibility
- **1000+ Scientific Associations** Collaborations
- **100000+**  Likes
- **Publication** immediately after acceptance
- **Quality and Quick** editorial, review processing

Salient Features

- **Easy to Submit** and Review Systems
- **High Quality** and Fast Publishing Guaranteed
- **Unbiased, quality-oriented,** and transparent reviews
- **Truly impartial recognition** of the best papers
- **Feedback** on the impact of every article
- **Enhanced feature:** Audio version of published paper
- **Digital articles** to share and explore
- **Sharing option:** Social networking enabled
- Authors, reviewers and editors are provided with **scientific credits**
- User friendly/feasible website articles **translations** across more than **50 world languages**

Our International Scientific Conferences

- More than **3000 Conferences** happening across the globe
- Conferences organized in **Medical, Pharma, Engineering, Science, Technology and Business.**
- **CME/CPD Accredited** Conferences fostering professional and Personal development
- **Continuum of education** through organized scientific program
- **Renowned speakers** and scientists representing from **40 countries**
- **Highly Interactive sessions** and Panel Discussions
- **B2B Meetings** offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues : All accepted abstracts will be published irrespective Conference Series LLC Journals

Each abstract will be provided with digital Object Identifier by  Crossref

About Conference

- **Food Packaging 2017** Conference website is attracting **25000+** **Food Scientists, Chemists, Packaging Specialists, Control Authorities** online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

How Conference Series Conferences differs from others?

- **3000+** Conferences across the globe in **30+** countries all through the year
- **Over 25 Million+** Visitors and **20000+** Unique Visitors per conference
- **Participation by Stalwarts** from various international societies
- **Internationally renowned speakers** and scientists representation
- **Career guidance** for early career researchers and students
- **Interesting scientific deliberations** and discussions
- **Perfect platform** for Global Networking

Food Packaging 2017 salient features

- **Meet Academia and Industry** visionaries to get inspired
- **Expand your knowledge** and find solutions to problems
- **Knowledge, Benchmarking and Networking** offered at one place
- **Forge connections** and for global networking
- **Highly Organized** and Structured Scientific programs
- **Poster presentations** and world class exhibitions
- **Meet with new vendors** and suppliers

About Conference

London, UK

Purpose

3rd International Conference on Food and Beverage Packaging is an arena for interdisciplinary exchange among professionals in the fields of Food and beverage packaging technology.

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Food and beverage packaging technology present the most recent research findings, and promote and enhance scientific collaborations around the world

About London

London, UK

Why London: London is the capital city of England and the United Kingdom, and the largest city, urban zone and metropolitan area in United Kingdom, and the European Union by the most measures. Located on the River Thames, London has been a major settlement for two millennia, its history going back to its founding by the Romans, who named it Londinium.

London is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism and transport all contributing to its prominence. London has been described as a world cultural capital. London has been described as a world cultural capital. It is the world's most-visited city as measured by international arrivals and has the world's largest city airport system measured by passenger traffic. London's 43 universities form the largest concentration of higher education in Europe. In 2012, London became the first city to host the modern Summer Olympic Games three times.
