### Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Hospice and Palliative Care.

### About Melbourne

Melbourne is the coastal capital of the southeastern Australian state of Victoria. At the city's center is the modern Federation Square development, with plazas, bars, and restaurants by the Yarra River. In the Southbank area, the Melbourne Arts Precinct is the site of Arts Centre Melbourne – a performing arts complex – and the National Gallery of Victoria, with Australian and indigenous art.

Melbourne is the second largest and populated city of the Australia. Melbourne kept the history and culture of all Australia and the people lives in the city known as Melburnian. The city name was given by Victoria when king Melbourne was close. There are 31 municipalities and ancient time monuments and buildings are present there which attract the most. Melbourne leads very quickly in all areas like education, entertainment, health care, research and development, tourism and sport etc. which makes it the World's most livable city. It is the leading financial center in Asia-pacific region. It is recognized as a UNESCO city of Literature. Melbourne holds good infrastructure and a metropolitan city. There are so many places for tourism like sea coast area, museums which provide charm for tourist.
