Global Summit on Heart Diseases

Chicago, USA October 20-21, 2016

Dear Potential Sponsor/Exhibitor,

Conference Series LLC, the World Class Open Access Publisher and Scientific Events Organizer is hosting **Global Summit on Heart Diseases** during **October 20-21, 2016** at **Chicago, USA**.

We warmly invite you to sponsor/attend/give a speech at Heart Diseases 2016.

Conference Series LLC Conferences deliver new ideas, convictions, strategies, and tactics that directly affect how you do business. No other event will offer a more impressive roster of keynote speakers, quality attendees and compelling content.

This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge.

The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people.

When becoming our partner, we will do our outmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

The main theme of Heart Diseases 2016 is **“Revolutionary Strategies in Diagnosis and Treatment of Heart Diseases”**.

Heart Diseases 2016 stands for advertising of the products/services of the companies in the Industrial & Medical sectors shall be placed in the exhibition area throughout the Conference.

We have the pleasure to invite and welcome you for the participation to our exciting conference. Let us meet in one of the most glorious cities in the world.

Best Regards,
Heart Diseases 2016 Organizing Committee

Sponsorship and Exhibitor Benefits Program Conference Corporate Workshops

The Conference provides sponsoring companies to present corporate workshops in parallel to the Conference program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Conference delegates. The workshop program will be promoted prior to the Conference via the Conference website, Heart Diseases 2016, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (October 20, 07:00 AM to October 21, 11:00 PM) without an agreement in writing from the Heart Diseases 2016 Organizers.
