## About Brisbane

Australia is a developed country and one of the wealthiest in the world, with the world's 12<sup>th</sup> largest economy. With the second-highest human development index globally, Australia ranks highly in many international comparisons of national performance, such as quality of life, health, education, economic freedom, and the protection of civil liberties and political rights. Popular Australian destinations include the coastal cities of Sydney and Melbourne, as well as other high profile destinations including regional Queensland, the Gold Coast and the Great Barrier Reef, the world's largest reef. Uluru and the Australian outback are other popular locations, as is Tasmanian wilderness. The unique Australian wildlife is also another significant point of interest in the country's tourism. Major Australian icons for tourists to visit include: Great Barrier Reef, Reef Red Centre, Great Ocean Road, Kakadu, The Kimberley, Kangaroo Island, Byron Bay, Tasmanian Wilderness, Australian Alps, Ningaloo, Flinders Ranges, Fraser Island, Freycinet, Gippsland, Blue Mountains, Namadgi National Park.

Brisbane is the capital and most populous city in the Australian state of Queensland, and the third most populous city in Australia. Popular tourist and recreation areas in Brisbane include the South Bank Parklands, Roma Street Parkland, the City Botanic Gardens, Brisbane Forest Park and Portside Wharf. The Lone Pine Koala Sanctuary opened in 1927 and was the world's first koala sanctuary.

Livestock Nutrition in Australia which is the world's largest participant in the Live export of animals for slaughter. The trade involved over 3 million animals in 2013 valued at approximately A\$1 billion of which the majority were cattle, and sheep. The industry standards are set by the Department of Agriculture (Australia), and include close attention to animal welfare.
