Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Livestock 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Livestock Nutrition

About Bangkok

Bangkok, Thailand's capital is a large city known for ornate shrines and vibrant street life. The boat-filled Chao Phraya River feeds its network of canals, flowing past the Rattanakosin royal district, home to opulent Grand Palace and its sacred Wat Phra Kaew Temple. Nearby is Wat Pho Temple with an enormous reclining Buddha and, on the opposite shore, Wat Arun Temple with its steep steps and Khmer-style spire.

Thailand is a wondrous kingdom with featuring Buddhist temples, exotic wildlife, and spectacular islands. Along with a fascinating history and a unique culture that includes delectable Thai food and massage, Thailand features a modern capital city, and friendly people who epitomize Thailand's "land of smiles" reputation. As the political, economic, cultural, culinary, and spiritual capital of Thailand, Bangkok features both old-world charm and modern convenience, at times served up in an apparently chaotic manner, but always with a gracious smile.
