Program Announcement

Venue

Jackson Ville, USA

Important Dates

Abstract Submission open: August 05, 2016

Online registration open: August 10, 2016

Early bird registration: December 20, 2016

On spot Registration: September 18, 2017

Accommodation

A large number of rooms have been reserved. Discounted room rates for Lung 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Conference Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Lung 2017.

About Jacksonville, USA

Jacksonville is a large city in northeastern Florida where the St. John's River meets the Atlantic Ocean. A regional business center, it has many museums and cultural offerings. Swimming and surfing are popular at nearby barrier island beaches such as Jacksonville Beach and Neptune Beach. Championship golf courses in the area include Ponte Vedra Beach's TPC Sawgrass, headquarters of the PGA Tour. On the banks of the St. Johns River and adjacent to the Atlantic Ocean. It is the largest metropolitan area in northeast Florida and southeast Georgia.

Jacksonville is a High end shopping, pristine beaches, and eclectic dining all top the list of reasons visitors seek out the First Coast, but when you come don't stop there! Beyond Jacksonville's 22 miles of white sandy beaches you can find more than 70 golf courses, and 85,000 acres of parks. There is adventure, culture, entertainment and sports to be found here as well. In addition music has always been important in the River City with numerous music festivals held throughout the year including the annual George's Music Springing the Blues Festival held at Jacksonville Beach, and the Jacksonville Jazz Festival getting fans in the spirit every Memorial Day weekend. Now celebrating over 100 years in existence the Jacksonville Zoo and Gardens is home to more than 3,000 exotic animal and plant species and is one of the Top 9 Animal Attractions in the nation. Whether you are traveling solo, or with the whole family there is plenty to do when you come to Jacksonville and you are certain to leave rich in memories.

We look forward to seeing you in Jacksonville !
