2017

Information

Dear Potential Sponsor/Exhibitor,

Conference Series LLC, the World Class Scientific Events Organizer is hosting 11th International conference on Advanced Materials and Processing in Edinburgh, Scotland (World's Leading Festival City) September 7-8, 2017. We warmly invite you to sponsor/attend/give a speech at Materials2017.

This congress will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge.

The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people. When becoming our partner, we will do our outmost to satisfy your needs for involvement and exposure.

Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

*The main theme of Advanced Materials 2017 is **"Recent advances in the science of materials and their exploitation in engineering"**.*

Please read more about sponsor opportunities and contact details at

Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Advanced Materials 2017, newsletters (Approximately 1, 00,000 email recipients) and the final program book.

NOTE:

No separate industry or corporate events may be held during the Conference period (September 6, 08:00 AM to September 7, 8:00 PM) without an agreement in writing from the Advanced Materials 2017 Organizers.
