Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Materials Science 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Materials Science and Nanotechnology.

About Las Vegas

Las Vegas is the 2nd largest city in California and 8th largest in the United States. Las Vegas is a city on the Pacific coast of California known for its extensive beaches, parks, warm climate, natural deep-water harbor, long association with the United States Navy and recent emergence as a healthcare development center. Immense Balboa Park is the site of the world-famous Las Vegas Zoo, as well as numerous art galleries, artist studios, museums and gardens. A deep harbor is home to a large active naval fleet with the USS Midway museum, an aircraft-carrier-turned-museum and open to the public.
