Midwifery 2017

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Midwifery and Women's Health, 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Midwifery.

About Philadelphia

Widely known as Philly, but formerly known as the city of Philadelphia, is the largest city in the Commonwealth of Pennsylvania. Philly is the real birth place of America. It is the 2nd largest city on the east coast and 5th largest in the country and the hub of the nation's 6th largest Metropolitan area. Despite having more than 1.5 million residents, this city never seems crowded. It is notable for its history enriched with culture and symbolism. It is the home to the liberty bell and Independence Hall (where the declaration of independence and constitution were signed), both tributes to the city's revolution. It is the second largest country in Pennsylvania by area. The city of Philadelphia land area is 134 square miles; giving population density of about 11,457 people per square km. it is the fifth most populated city in United States.

Philadelphia has a humid continental climate. Philadelphia has over 3700 hectares of parks. Fairmount Park is the largest park in Philadelphia. Philadelphia top attractions get a lot of well warranted attention. Franklin institute, the region's premier science museum, features a full city block of kid friendly exhibitions such as the walk through giant heart, an 8,500 square foot space to explore the brain, Space Command, sports zone a massive 53,000 square- foot area for permanent and travelling exhibitions.

Venue

Philadelphia, USA
