About Bali

Bali is Indonesia's favorite tourist destination, known for its natural attractions, perfect climate and relaxed atmosphere. This island of flowers, temples and friendly people is considered a real gem by travelers worldwide. Its known for its natural attractions, perfect climate and relaxed atmosphere. Located between Java and Lombok, Bali consists of 2,174 square miles of land covered with sandy beaches, tropical rain forests and volcanoes. More than 3 million people live on this island, with 463,915 living in the capital city of Denpasar. It is known for its forested volcanic mountains, iconic rice paddies, beaches and coral reefs. The island is home to religious sites such as cliffside Uluwatu Temple. To the south, the beachside city of Kuta has lively bars, while Seminyak, Sanur and Nusa Dua are popular resort towns. The island is also known for its yoga and meditation retreats. Bali city is in the tropical situation as Dream Island for a vacation. Bali Island has many places of interest such as rice paddies, beautiful panorama, volcanoes, tourism activities as well as attractions. In addition, it also has beautiful jungle, long sandy beaches, warm blue water, crashing surf and friendly people and its truly beautiful tropical island inhabited by a remarkably artistic people who have created a dynamic society with unique arts and ceremonies. It is the Balinese civilization what makes the island different from other destination.

The Balinese has maintained precious heritages of their unique arts, dynamic cultures, panoramas of cultivated rice terrace, exotic volcanoes, pristine beaches, thousands of temples, various herbals, flora, and fauna. Bali has improved accessibility to its many areas and also becomes the main hub to other parts of Indonesia. With technological expertise, experienced ground-handling operation, reliable forwarding agency, innovative publications, well-informed travel operation and first-rate support services, many perfect locations in Bali have been combined to provide high-class tourism services. Bali Island is a small beautiful island and a part of Indonesia archipelago. Furthermore, it is a perfect tourist destination to enjoy the holiday with your family as well as collages.
