New York Medical College, USA

Stephen G Schwartz
Bascom Palmer Eye Institute, USA

Raul Martin
University of Valladolid, Spain

Sayon Roy
Boston University, USA

Yoko Miura
University of Luebeck, Germany

Kota. V Ramana
The University of Texas Medical Branch, USA

Nalini S. Bora
University of Arkansas, USA

Susumu Ishida
Hokkaido University, Japan

Daniel Palanker
Stanford University, USA

Clyde B. Schechter
Albert Einstein College of Medicine, USA

Yoshio Hirano
Nagoya City University, Japan

Patrice E. Fort
University of Michigan, USA

Ron Adelman
Yale University, USA

Kyung Chul Yoon
Chonnam National University, South Korea

Hirohiko Kakizaki
Aichi Medical University, Japan

Koh-Hei Sonoda
Kyushu University, Japan

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Neuro Ophthalmology 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Ophthalmology and Vision Science.

About Bali

Bali is an Indonesian island known for its forested volcanic mountains, iconic rice paddies, beaches and coral reefs. The island is home to religious sites such as Cliffside Uluwatu Temple. Bali is a popular tourist destination, which has seen a significant rise in tourists since the 1980s. Tourism-related business makes up 80% of its economy. It is renowned for its highly developed arts, including traditional and modern dance, sculpture, painting, leather, metalworking, and music. Paradise on Earth' and the 'Island of the Gods' are just not simply the names given to Bali, these names personify the beauty of Bali. Bali never ceases to charm with its diverse natural treasures.

Trip to Bali can be filled with culture, nature, art, the spiritual or, even better, all of these. Bali received the Best Island award from Travel and Leisure in 2010. Bali won because of its attractive surroundings (both mountain and coastal areas), diverse tourist attractions, excellent international and local restaurants, and the friendliness of the local people. According to BBC Travel released in 2011, Bali is one of the World's Best Islands, ranking second after Santorini, Greece. The Island of the Gods offers great beaches, countless waves for surfing and wonderful natural sites to visit and explore colorful ceremonies, and gifted artists. There is an unbelievably wide range of hotels and accommodation, restaurants, spas and world-class activities and shopping - all within close distance and at very fair prices. Bali is famous for its kaleidoscopic sunsets which arrive on cue at around 6pm every day of the year. Apart from the wealth of Bali attractions, from the spectacular beaches of Kuta, Nusa Dua and Seminyak, or Ubud's cultural heart and picturesque terraced rice fields, the northeastern coastal towns and Lombok Island are hidden gems awaiting discovery.

Important Dates

Abstract submission opens: July 03, 2017
Registration opens: July 10, 2017
Early bird registration: September 21, 2017
Mid registration: January 21, 2018
On spot registration: March 21, 2018

Venue

Bali, Indonesia
