**Neurology Congress  
2017**

# Program Announcement

## **Accommodation**

*A large number of rooms have been reserved. Discounted room rates for Neurology Congress 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.*

## **Exhibition and Sponsorship**

*An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Nursing and Healthcare*

## **About London**

*One of the world's most visited cities, London has something for everyone: from history and culture to fine food and good times.*

*London is as much about wide-open spaces and leafy escapes as it is high-density, sight-packed exploration. Central London is where you will find the major museums, galleries and most iconic sights, but visit Hampstead Heath or the new Queen Elizabeth Olympic Park to escape the crowds and view the city's greener hues up close. Or venture even further out to Kew Gardens, Richmond or Hampton Court Palace for excellent panoramas of riverside London.*

*The United Kingdom of Great Britain and Northern Ireland, commonly known as the United Kingdom (United Kingdom) or Britain is a sovereign state located off the north-western coast of continental Europe. The country includes the island of Great Britain (a term sometimes loosely applied to the whole state), the north-eastern part of the island of Ireland, and many smaller islands.*

*The total area of the United Kingdom is approximately 243,610 square kilometres (94,060 sq mi). The country occupies the major part of the British Isles archipelago and includes the island of Great Britain, the north-eastern one-sixth of the island of Ireland and some smaller surrounding islands. The United Kingdom has a temperate climate, with plentiful rainfall all year round*

## **Venue**

London, UK

## **Important Dates**

*Abstract submission opens: November 1, 2016*

*Registration opens: November 1, 2016*

*Early bird registration: December 31, 2016*

*On spot registration: August 29, 2017*
