Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Neurosurgery 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Neurology and Neurosurgery

About Paris, France

Paris is the capital city of France. It has an area of 105 km and population is of 2,229,621. It was found in the 3rd century BC by a Celtic people called Parisii who gave the city its name. By 12th century Paris was the largest city in the western world and the home of university of Paris. The continental climate of Paris is characterized by summers and winters and no moderate temperature. The average temperature is 25.c. Some popular places of Parisincludes St.-Germain-des-Prés,Opéra and Beaubourg (budgetshopping), Le Marais and Bastille (architecture)Invalides (Eiffeltower). Some of the famous tourist places in Paris are Eiffel Tower, Louvre Museum, Sainte Chapelle, Centre pompidouS

There are about 10 universities related to neurology and neurosurgery. Around 1000 clinical neurologist and neurosurgeons are working exclusively on neurologyand neurosurgery in Paris. There are about 6 million people in Paris living with a neurological condition which has a significant impact on their lives.
