Meetings International proudly announces the Global Experts Meeting on “International Meeting on Nursing Research and Evidence Based Practice” scheduled on July 31-Aug 01, 2017, Melbourne, Australia with a theme of “Novel approaches and improved evidences in Nursing Practice”.

Meetings International provides a Global Platform for Nursing Professionals, Nursing Practitioners, Medical and Healthcare Professionals to Exchange Ideas, Knowledge and Networking at its 100+ International Conferences.

Nursing Meeting 2017 aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. A nursing Professional has a special set of competence and ability. Not only can they diagnose patients and finally provide medication, but they also serve in leadership and consulting roles. NCS’s are prominent and impact health care across the board, from reducing medical complications to improving patient satisfaction.

Nursing Conferences aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. The Nursing Conference is a platform for nursing students, faculty, deans, researchers, and leaders to collaborate on topics affecting nursing education. Attendees can: Take advantage of opportunities to learn about Nursing Conference from a variety of oral and poster presentations. Meet and network with nurses ranging from students to deans, faculty, and researchers. Take advantage of opportunities to collaborate with nurses from around the world. Attend prominent plenary sessions about relevant issues affecting nursing care.

This Conference involves of the theoretical and practical training provided to nurses with the purpose to prepare them for their duties as nursing care professionals. This education is provided to nursing students by experienced nurses and other medical professionals who have qualified or experienced for educational tasks. Most countries offer nurse education courses that can be relevant to general nursing or to specialized areas including mental health nursing, pediatric nursing and post-operative nursing. Courses leading to autonomous registration as a nurse typically last four years. Nurse Care also provides post-qualification courses in specialist subjects within nursing.

Meetings International Nursing Meeting will offer you an unmatched attendee experience. In addition to the many scientific sessions and take-home case study examples, you will leave this event with many other evidence based practice from some of our workshops and symposiums. We hope you will join us in Melbourne, Australia this July.

Sincerely,

Operating Committee
CEO and Founder
Meetings International PTE LTD.
Who Should Attend?

- Nursing Professionals
- Nursing Practitioners

Supporting our events as a sponsor is an excellent promotional tool for your company/organization and a fantastic way of achieving several marketing and sales goals all in the space of 3 valuable full days. Our attendees are actively seeking and researching solutions to their business problems, you can save yourself a lot of time and money throughout the year by simply being a sponsor and do more in those intense 3 days for your company than the whole year! Whether the goal is to increase brand awareness and credibility, generate new sales leads or maintain & expand existing relationships, we have the right sponsorship to broaden your competitive advantage in the marketplace and attract your target market.

Want to find out some more about the sponsorship opportunities we have available?

Call Program Manager on 800-101-2526 (or)

email him at nursingresearch@nursingmeetings.org with “Sponsorship Enquiry” in the subject line. (* Please note that sponsorship opportunities are limited due to the educational-led focus of this event. Please enquire for availability.

Melbourne is the second-largest city in Australia and the capital of the state of Victoria. Melbourne is built on a coastal plain at the top of the giant horseshoe shaped Port Phillip Bay, which also serves as the mouth of the mighty Yarra River. Located on the southern coast of Australia’s eastern seaboard, Melbourne is perhaps Australia’s most cultured and politically conservative city. Melbourne features include Victorian-era architecture, bounteous cultural institutions museums, art galleries, theatres and spaciously landscaped parks and gardens. Its 3.5 million populations are multicultural and entirely sports-mad.

Melbourne prides itself on being a great city. It’s hardly surprising, with its spectacular combination of old and new architecture, elegant streetscapes, harmonious ethnic communities and lavish parks & gardens. Include Australia’s best dining; an efficient transit system and a packed events calendar and you have all the ingredients for one of the most enlightened and liveable cities in the world.

Melbourne has a lively passion for social eating and drinking, which is reflected in the thousands of restaurants serving up gastronomic experiences from around the world. Everywhere you look you will uncover a vast array of fashionable cafes, where you can enjoy Melbourne’s existential coffee culture to the fullest.

Melbourne is a style-setter with some of the best shopping and nightlife in Australia. Whether you are searching for haute couture or vintage clothing, sparkling chardonnay, über-chic bars, clubs or jazz venues, Melbourne has it all.

Melbourne’s standing as the cultural capital of Australia is authenticated in a non-stop program of festivals, major art exhibitions and musical extravaganzas. The city boasts many sporting spectaculars and a range of crowd-pleasing events, from the high-octane excitement of the Australian Grand Prix to the beautiful floral displays of the Melbourne International Flower and Garden Show.
