Program Announcement

Venue

Valencia, Spain

Important Dates

Abstract submission opens: September 01, 2013

Registration opens: September 01, 2013

Early bird registration: December 20, 2013

On spot registration: September 23, 2014

Accommodation

A large number of rooms have been reserved. Discounted room rates for Nutritional Science-2014 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Nutritional Science.

About Valencia

The original Latin name of the city was Valentia, meaning “strength”, or “valour”, the city being named according to the Roman practice of recognizing the valour of former Roman soldiers after a war. The Roman historian Livy explains that the founding of Valentia in the 2nd century BC was due to the settling of the Roman soldiers who fought against an Iberian rebel, Viriato. During the rule of the Muslim kingdoms in Spain, it was called *Medina at-Turab* (‘City of Sands’), since it was located on the banks of the River Turia, while the term *Balansiyya* was reserved for the entire Taifa of Valencia.

Valencia is known internationally for the Falles (*Las Fallas*), a local festival held in March and for *paella valenciana*, traditional Valencian ceramics, intricate traditional dress, and the architecture of the City of Arts and Sciences designed by Santiago Calatrava and Felix Candela.

La Tomatina, an annual tomato fight, draws crowds to the nearby town of Bunol in August. There are also a number of well-preserved traditional Catholic festivities throughout the year. Holy week celebrations in Valencia are considered some of the most colourful in Spain. Valencia has a metro system, the Metrovalencia (Valencia Metro).
