About Berlin

Berlin, Germany

Germany is a federal parliamentary republic in western-central Europe. Its capital and largest city is Berlin. Germany's achievements in the sciences have been significant, and research and development efforts form an integral part of the economy. With its central position in Europe, Germany is a transport hub for the continent. Germany is the seventh most visited country in the world, with a total of 407.26 Million overnights during 2012. Berlin has become the third most visited city destination in Europe. Berlin, Germany's capital and cultural center, dates to the 13th century. Divided during the Cold War.
