A large number of rooms have been reserved. Discount in room rates for Pediatric Congress 2016 participants are proposed. The reservations made through the Conference only will benefit these rates. The venue can be easily reached by public transportation.

Exhibition and Sponsorship
An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Pediatric Congress.

About Sao Paulo
São Paulo is a municipality, metropolis and global city located in southeastern Brazil. It is the most populous city in Brazil, South America, and the Southern Hemisphere. It is also the world’s twelfth largest city by population. The metropolis is anchor to the São Paulo metropolitan area, ranked as the most populous metropolitan area in Brazil, the second in the Americas, the Southern Hemisphere, and the tenth in the world. São Paulo is the capital of the state of São Paulo, Brazil’s most populous and wealthiest state. It exerts strong regional influence in commerce, finance, arts and entertainment and a strong international influence. The name of the city honors Saint Paul of Tarsus.

São Paulo consists of 39 municipalities in total and a population of 21.1 million inhabitants as of 2014 National Census. São Paulo is considered the “financial capital of Brazil”. São Paulo is Brazil’s highest GDP city and the 10th largest in the world, using Purchasing power parity. According to data of IBGE, its gross domestic product (GDP) in 2010 was R$450 billion, approximately US$220 billion, 12.26% of Brazilian GDP and 36% of all production of goods and services of the State of São Paulo. In 2005, the city of São Paulo collected R$90 billion in taxes and the city budget was R$15 billion. The city has 1,500 bank branches and 70 shopping malls.

São Paulo has two main airports, São Paulo-Guarulhos International Airport (IATA: GRU) for international flights and Congonhas-São Paulo Airport (IATA: CGH) for domestic and regional flights. Another airport, the Campo de Marte Airport, serves light aircraft. The three airports together moved 42,617,779 passengers in 2010, making São Paulo one of the top 20 busiest in the world, by number of air passenger movements. The region of Greater São Paulo is also served by São José dos Campos Airport and Viracopos-Campinas International Airport.

The city has a huge variety of museums and art galleries, which have collections of various styles, from modern religious art, and facts about science, politics, religion, among others. Among the most famous museums in the city are São Paulo Museum of Art (MASP), the Ipiranga Museum, the Museum of Sacred Art, the Museum of the Portuguese Language. Every now and then happens free music festivals and events that exist to enhance the cultural habits of the population.
