# Program Announcement

## **Accommodation**

A large number of rooms have been reserved. Discounted room rates for ICND-2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

## **Exhibition and Sponsorship**

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Infancy, Child Development and Pediatric Nutrition .

## **About New York**

New York is a state in the Northeastern United States and is the 27th-most extensive, fourth-most populous and seventh-most densely populated U.S. state. New York is bordered by New Jersey and Pennsylvania to the south and Connecticut, Massachusetts, and Vermont to the east. The state has a maritime border in the Atlantic Ocean with Rhode Island, east of Long Island, as well as an international border with the Canadian provinces of Quebec to the north and Ontario to the west and north. The state of New York, with an estimated 19.8 million residents in 2015, is often referred to as New York State to distinguish it from New York City, the state's most populous city and its economic hub.

Tourism is a vital industry for New York City, which has witnessed a growing combined volume of international and domestic tourists, receiving a sixth consecutive record of nearly 60 million visitors in 2015. Tourism had generated an all-time high US \$61.3 billion in overall economic impact for New York City in 2014, pending 2015 statistics. Approximately 12 million visitors to New York City were from outside the United States, with the highest numbers from the United Kingdom, Canada, Brazil, and China. According to the website reuters.com, "New York City tourism climbed record high in 2015 for sixth year.
