Dear Colleagues,

Conference Series LLC is delighted to welcome you to Toronto, Canada for the Prestigious “International Conference and Exhibition on Pediatric Oncology and Clinical Pediatrics”. Pediatric Oncology 2016 will focus on “Benchmark practices and accelerating computational approaches for Pediatric Oncology”. We are confident that you will enjoy the Scientific Program of this upcoming Conference. We look forward to see you at Toronto, Canada.

With Regards,

Pediatric Oncology 2016 Operating Committee

Program Announcement

Venue
Holiday Inn Toronto International Airport
970 Dixon Road, Toronto,
Ontario M9W 1J9, Canada

Important Dates
Abstract submission opens: July 20, 2015
Registration opens: August 01, 2015
Early bird registration: November 29, 2015
On spot registration: August 11, 2016

Accommodation
A large number of rooms have been reserved. Discounted room rates for Pediatric Oncology 2016 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship
An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Pediatric Oncology.

About Toronto
Toronto is the most populous city in Canada and the provincial capital of Ontario. It is located in Southern Ontario on the northwestern shore of Lake Ontario. The earlier name of Toronto is York during late 18th century; the city was ransacked in the Battle of York during the War of 1812. In 1834, York became a city and renamed to Toronto. Toronto is a clean, safe cosmopolitan city with a wonderful network of parks, recreational, and cultural facilities. Toronto is the home of four professional sports teams and the third largest English-speaking theatre district in the world, behind New York and London. One of the world’s most ethnically diverse cities, it is home to more than 80 ethnic communities from Africa, Asia, and Europe. Toronto is also the business centre of Canada.

Toronto’s unmatched diversity shines through in its countless arts and entertainment opportunities. As the nation’s cultural heartland, Toronto hosts international audiences at a wide variety of arts and sporting events in world class facilities.

Toronto is the leading tourism destination in Canada, attracting more than 25 million Canadian, American and international visitors annually (Tourism Toronto, 2012). In 2012, the Toronto region welcomed 9.9 million overnight visitors. Visitors to Toronto spend about $5.1 billion in direct expenditures during their visits. Visitors to the Toronto region support more than 329,000 people who work in tourism and hospitality. Based on 2013 estimates, Toronto welcomed 13.69 million overnight visitors. 1.42 million visitors arrived from overseas markets (all countries other than Canada and the U.S.) with a further 2.18 million Americans staying overnight – a 1.7 per cent increase over 2012 and a 9.7 per cent increase over 2010 (Tourism Toronto, 2013). The U.K. remains Toronto’s largest overseas visitor market with 201,000 arrivals in 2013.
