Brian A. Francis
University of Southern California, USA

Dianna A. Johnson
University of Tennessee College of Medicine, USA

Constance L. Fry
University of Texas Health Science Center at San Antonio, USA
Venue
London, UK

Important Dates
Abstract Submission Opens: October 20, 2015
Registration Opens: October 25, 2015
Early bird Registration: December 21, 2015
On spot Registration: June 06, 2016

Accommodation
A large number of rooms have been reserved. Discounted room rates for “Pediatric Ophthalmology 2016” participants are proposed. Only reservations made through the Conference will benefit these rates. The Conference Center can be easily reached by public transportation.

Exhibition and Sponsorship
An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Pediatric Ophthalmology Disorders & Treatments.

About London
London is the capital and most populous city of England and the United Kingdom. Standing on the River Thames, London has been a major settlement for two millennia, its history going back to its founding by the Romans, who named it Londinium. London is a leading global city, with strengths in the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transport all contributing to its prominence. It is one of the world’s leading financial centres and has the fifth- or sixth-largest metropolitan area GDP in the world depending on measurement. London is a popular centre for tourism, one of its prime industries, employing the equivalent of 350,000 full-time workers in 2003, while annual expenditure by tourists is around £15 billion. London attracts over 16 million international visitors per year, making it Europe’s most visited city. London attracts 27 million overnight-stay visitors every year.
