

## 5<sup>th</sup> World Congress on **Petrochemistry and Chemical Engineering** Phoenix, Arizona, USA December 05-07, 2016

*Theme: "Enabling Unconventional Resources: Ensuring Future"*

Dear Colleagues,

OMICS International is delighted to welcome you to Phoenix, Arizona, USA for the Prestigious 5<sup>th</sup> World Congress on Petrochemistry and Chemical Engineering. Petrochemistry 2016 will focus on "Enabling Unconventional Resources: Ensuring Future". We are confident that you will enjoy the Scientific Program of this upcoming Conference. We look forward to see you at Phoenix, Arizona, USA.

With Regards,

Petrochemistry 2016 Organizing Committee  
OMICS International Conferences

### Editorial Board Members of Supporting Journals:

**Chongxuan Liu**

Pacific Northwest National Laboratory, USA

**Arthur J Ragauskas**

Georgia Institute of Technology, USA

**Berrin Tansel**

Florida International University, USA

**Liming Dai**

Case Western Reserve University, USA

**Tony Jun Huang**

The Pennsylvania State University, USA

**Jiunn-Der Liao**

National Cheng Kung University, Taiwan

**Joseph D. Smith**

Missouri University of Science and Technology, USA

**Raghu N. Bhattacharya**

National Renewable Energy Laboratory, USA

**Panagiota Angeli**

University College London, UK

**Jian Liu**

China University of Petroleum, China

# Program Announcement

## Venue

Phoenix Airport Marriott  
1101 North 44th Street, Phoenix, Arizona,  
85008, USA

## Important Dates

Abstract Submission Opens: December 03, 2015  
Registration Opens: December 07, 2015  
Early bird Registration: February 09, 2016  
On spot Registration: December 05, 2016

## Accommodation

A large number of rooms have been reserved. Discounted room rates for Petrochemistry 2016 participants are proposed. Only reservations made through the Conference will benefit these rates. The Conference Center can be easily reached by public transportation.

## Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Petrochemistry.

## About Phoenix, Arizona, USA

Phoenix is the capital of the southwestern U.S. state of Arizona, and anchor of a sprawling, multicity metropolitan area known as the Valley of the Sun. The area is known for high-end resorts, Jack Nicklaus-designed golf courses and vibrant nightclubs, but the city's biggest attraction may be the sunshine and winter warmth.

Nearly perfect year-round weather and several impeccably designed championship courses have made Phoenix one of the world's top golf destinations. But there's more to this mild-mannered metropolis than pristine greens and tee times. The greater Phoenix area also offers an array of impressive cultural attractions. Visit the internationally renowned Heard Museum for an in-depth look at Native American history or peruse the fine collection at the Phoenix Museum of Art.

Enjoy a ballet performance at the ornate Orpheum Theater, or catch a Broadway show at the state-of-the-art Dodge. In addition to golf, the city offers numerous outdoor activities including rock climbing, hot-air ballooning, desert jeep tours and more. Family-friendly attractions, first-rate shopping, dining and entertainment, and spectacular recreational activities make Phoenix a must-see destination.

## Conference Secretariat

2360 Corporate Circle, Suite 400 Henderson, NV 89074-7722, USA
