Photonics 2017

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Photonics 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Photonics.

About Milan

Milan is the chief town of the Province of Milan and of the Lombardy Region. It is the second larger population in Italy, after Rome. Milan is also the centre of the largest metropolitan area in Italy, and one of the largest in Europe. Milan is considered as the economic and financial capital of Italy; the stock exchange is located here, as well as the most important multinational corporations. It is the most global city in the country and one of the richest areas in Europe.

Milan is a leading global city, with strengths in the arts, commerce, design, education, entertainment, fashion, finance, healthcare, media, services, research, and tourism. Its business district hosts Italy's Stock Exchange and the headquarters of the largest national and international banks and companies. The city is a major world fashion and design capital, well known for several international events and fairs, including Milan Fashion Week and the Milan Furniture Fair. The city hosts numerous cultural institutions, academies and universities, with 11% of the national total enrolled students.

Venue

Milan, Italy
