

International Conference on Plant Physiology & Pathology

Dallas, USA June 09-10, 2016

Initial Announcement

Dear Colleagues,

OMICS International is delighted to welcome you to Dallas, USA for the prestigious **International Conference on Plant Physiology & Pathology**. It will focus on "**New Horizon in Plant Science**". We are confident that you will enjoy the Scientific Program of this upcoming Conference.

We look forward to see you at Dallas, USA.

With Regards,
Plant Physiology 2016 Organizing Committee
OMICS International Conferences

Editorial Board Members of Supporting Journals:

Steven Hutcheson

University of Maryland, USA

Stephen K. Herbert

University of Wyoming, USA

Michelina Ruocco

Cornell University NYSAES
Geneva USA

Jack Brown

University of Idaho, USA

Rodrigo A Valverde

Louisiana State University
Agricultural Center, USA

Guangming Zhong

University of Texas Health
Science Center, USA

Fernando Villalta

University of Central
Florida, USA

Weili Yang

Michigan State University,
USA

Zonglie Hong

University of Idaho, USA

Anthony Oyegoke Adesemoye

University of California,
USA

Rebecca Creamer

New Mexico State University,
USA

Leland Stanley Pierson III

University of Arizona, USA

CO Thoen

Iowa State University, USA

Shujian Zhang

University of Florida, USA

Konstantin Kanyuka

Disease Management, UK

Florence V. Dunkel

Montana State University,
USA

Deshpal Singh Verma

Ohio State University, USA

John Burand

University of Massachusetts,
USA

Brian Traw

University of Pittsburgh, USA

Svetlana Folimonova

University of Florida, USA

Nicole Donofrio

University of Delaware,
USA

Li Huang

Montana State University,
USA

Supriya Sen

University of California San
Diego

USA

Rubella Goswami

State University, USA

David Meigs Beyer

Agricultural Sciences,
Canada

Jaswinder Singh

McGill University, Canada

David B Hannaway

Oregon State University,
USA

Mariam B Sticklen

Michigan State,
University, USA

Su Sheng Gan

Cornell University, USA

Kamel Ahmed Abd-El-salam

Plant Pathology Research
Institute, Egypt

Russell W Jessup

Texas A&M University, USA

Pankaj Jaiswal

Oregon State University,
USA

Jianhua Zhu

University of Maryland, USA

Nnadozie Oraguzi

Washington State University,
USA

Renyi Liu

University of California, USA

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Plant Physiology 2016 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Plant Physiology & Pathology.

About Dallas, USA

As the ninth-largest city and part of the fourth-largest metropolitan area in the nation, Dallas covers approximately 343 square miles and has a population of 1,241,162. The ultra-modern and sophisticated city attracts worldwide travellers, making the area the No. 1 visitor and leisure destination in Texas.

Dallas is centrally located and within a four-hour flight from most North American destinations. DFW International Airport is the world's fourth busiest airport, offering nearly 1,750 flights per day and providing non-stop service to 145 domestic and 47 international destinations worldwide annually. In addition, Dallas Love Field Airport is conveniently located 10 minutes from downtown. Once here, visitors can ride DART, one of the fastest-growing light rail systems in the nation or the historic, free McKinney Avenue Trolley from the Dallas Arts District throughout the Uptown area with its restaurants, pubs, boutique hotels and shops.

There are many visitor places in Dallas. Like, AT&T Performing Arts Center, Perot Museum of Nature and Science, Cotton Bowl, Dallas Museum of Art, George W. Bush Presidential Center, The Nasher Sculpture Center, Dallas Zoo, Klyde Warren Park, Dallas Arboretum and Botanical Garden, Dealey Plaza, Sixth Floor Museum at Dealey Plaza, Texas School Book Depository, Morton H. Meyerson Symphony Center, Southern Methodist University, Dallas Baptist University, Fair Park, Dallas World Aquarium, Victory Park, American Airlines Center, Reunion Tower, Margaret Hunt Hill Bridge, Texas Theatre etc.

Venue

Dallas, USA
