were put together planning to make this conference a premier event. Exhibiting at Precision Medicine 2016
will attain you with an exceptional format in showcasing your products and services. Conference Series LLC
Conferences and Exhibitions provide you one location to reach your top customers

**About City:** San Antonio is the third largest city in the state of Texas. It is the 7th largest city in the United
States of America with a population of 1.33 million. The city was named after San Antonio de Padua, whose
feast day is on June 13, when a Spanish expedition stopped in the area in 1691.

Famous for Spanish missions, the Alamo, the River Walk, the Tower of the Americas, the Alamo Bowl,
Marriage Island and host to SeaWorld and Six Flags Fiesta Texas theme parks, the city is visited by approximately
26 million tourists per year according to the San Antonio Convention and Visitors Bureau. The city is home to
the four-time NBA champion San Antonio Spurs and the annual San Antonio Stock Show & Rodeo, one of the largest in the country. San Antonio has a strong military presence.

**Past Conference Report (Precision Medicine 2015)**

Conference Series LLC successfully hosted the 3rd International Conference on Predictive, Preventive and Personalized Medicine & Molecular Diagnostics during September 01-03, 2015 at Valencia, Spain. The conference focused on the theme “A new era for Healthcare and Medicine”. The conference was successful in gathering eminent speakers from various reputed organizations and their paramount talks enlightened the gathering. The pragmatic meet organized by Conference Series LLC received generous response from the Editorial Board Members of Conference Series LLC Journals as well as expertise from academia, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2015 from Conference Series LLC. The conference was marked with the presence of renowned Speakers, Young Researchers, Students and Business Delegates driving the three day event into the path of success with thought provoking keynote and plenary presentations.
