Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Preventive Oncology 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Preventive Oncology.

About Chicago

Chicago is the third most populous city in the United States. It is the largest city in the state of Illinois and the Midwest with over 2.7 million residents. The Chicago metropolitan area is home to nearly 10 million people and is the third-largest in the United States. Chicago is the seat of Cook County.

Chicago was incorporated as a city in 1837, near a portage between the Great Lakes and the Mississippi River watershed, and experienced rapid growth in the mid-nineteenth century. Today, the city is an international hub for finance, commerce, industry, technology, telecommunications, and transportation, with O'Hare International Airport being the busiest airport in the world; it also has the largest number of US highways and railroad freight. In 2012, Chicago was listed as an alpha global city by the Globalization and World Cities Research Network, and ranks seventh in the world in the 2014 Global Cities Index. As of 2012, Chicago had the third largest gross metropolitan product in the United States at US\$571 billion. Apart from this Chicago is home to several scientists and professors from several fields and this makes it ideal place for the conference.

Venue

Chicago, USA
