Proteomics Congress 2017

Invitation

Dear Attendees,

The Proteomics Congress 2017 Organizing Committee is absolutely delighted to welcome you to the **9th International Conference & Expo on Proteomics** which will be held in **Paris** on **13th-15th November 2017**.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your proteomic research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in fairy-like city (Paris) which is a world renowned and commonly called as “The City of light”. You’ll find top-class cathedrals, parks, shopping, elegant cuisine, numerous monuments and many more. Beyond Paris you’ll able to explore an enchanting country and experience the French welcome from the people – rich in love, inspiration, art and fashion as well as the written and spoken word. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2017 for an experience of a lifetime.

Cent mille bienvenues to PC 2017 (‘A hundred thousand welcomes’)

With Regards

Proteomics Congress 2017

Organizing Committee

Delegate Profile

It is anticipated that up to **150 delegates** will attend the **9th International Conference & Expo on Proteomics**. The audience will comprise of **proteomicist, proteomics researchers, scientists, bioinformaticians, international experts and healthcare professionals with an interest in proteome and its related research fields**. Proteomics meetings bring together both senior and junior researchers from leading European groups with international reputations in the field of proteome, mass spectrometry and all the related research areas.

The meeting is publicized widely amongst its members and previous attendees. The Main Announcement/Call for Abstracts is also distributed to members of all of the national and European societies. Flyers are also made available at relevant conferences in the run-up to the meeting to encourage abstract submissions and delegate registrations
