## About San Antonio

San Antonio is the seventh most populated city in the United States of America and the second most populated city in the state of Texas, with a population of 1,409,019. It was the fastest growing of the top 10 largest cities in the United States from 2000 to 2010, and the second from 1990 to 2000. The city is located in the American Southwest, the south-central part of Texas, and the southwestern corner of an urban region known as the Texas Triangle.

San Antonio hosts over 100,000 students in its 31 higher-education institutions. Publicly supported schools include the University of Texas Health Science Center at San Antonio, the University of Texas at San Antonio, Texas A&M University-San Antonio, and the Alamo Community College District. The University of Texas at San Antonio is San Antonio's largest university. San Antonio is home to six Fortune 500 companies and the South Texas Medical Center, the only medical research and care provider in the South Texas region.
