**Separation
Techniques 2017**

Information

Dear Potential Sponsor/Exhibitor,

Conference Series LLC, the World Class Open Access Publisher and Scientific Events Organizer is hosting 5th International Conference and Expo on Separation Techniques during October 23-25, 2017 Paris, France.

We warmly invite you to sponsor/attend/give a speech at Separation Techniques 2017.

Conference Series LLC Conferences deliver new ideas, convictions, strategies, and tactics that directly affect how you do business. No other event will offer a more impressive roster of keynote speakers, quality attendees and compelling content.

This Conference will provide a forum for exchange of ideas and authoritative views by leading scientists as well as business leaders and investors in this exciting field. Outstanding keynote speakers and well known leading scientists and experts from around the globe will be expected to share their knowledge.

The event participants are typically high-level decision makers representing various parts of the industry and many participants are repeaters who know each other. This creates a relaxed and informal atmosphere with the right settings for meeting new people.

When becoming our partner, we will do our utmost to satisfy your needs for involvement and exposure. Our sponsor packages offer pre-defined exposure opportunities, but don't hesitate to bring us your personal requests.

The main theme of Separation Techniques 2017 is "An ingenious approach to discover the recent developments and advancements in the field of Separation Science".

Separation Techniques 2017 stands for advertising of the products/services of the companies in the Medical and Healthcare sectors shall be placed in the exhibition area throughout the Conference.

We have the pleasure to invite and welcome you for the participation to our exciting conference. Let us meet in one of the most glorious cities in the world.

*Best Regards,
Separation Techniques 2017 Scientific Committee*

Techniques 2017**

About Us

The Conference Series LLC, a premier quality scientific publisher and Editors-
Journal of Chromatography & Separation Techniques

(<http://www.omicsonline.org/chromatography-separation-techniques.php>)

Journal of Analytical & Bioanalytical Techniques

(<http://www.omicsonline.org/analytical-bioanalytical-techniques.php>)

Journal of Membrane Science & Technology

(<http://www.omicsonline.org/membrane-science-technology.php>)

are jointly organizing the Conference.

Selected Contribution will be published in following OMICS Group Journals:

- Journal of Chromatography & Separation Techniques
- Journal of Analytical & Bioanalytical Techniques
- Journal of Membrane Science & Technology

Why with us???

- 700+ Open Access Journals
- 50000 Editorial team
- 50000 Reviewers team
- 3.5 Million readers
- Quality and quick editorial, review processing
- 21 Days rapid review process
- Publication within 7 days of acceptance

Unique features

- User friendly/feasible website-translation of your paper to 50 world's leading languages
- Audio version of published paper
- Digital articles to share and explore
- Sharing Option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series LLC Conferences

- 500 Conferences all over the world in 2015-16
- Providing Delegates and Speakers across the globe with an unparalleled opportunity to create new, value generating relationships
- Well organized scientific program
- Flow of knowledge across the globe
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Opportunity to attend the presentations delivered by Eminent Scientists from all over the world

Conference Highlights

- Novel separation techniques in chemistry
- Industrial Scale Separation Process
- Membrane Separations
- Emerging separation technologies
- Advancements in Sample Preparation Techniques
- Separation Processes in Chemical Engineering.
- Chromatography as a Separation Technique
- Hyphenated Techniques
- Applications of Separation Techniques
- Electrophoresis
- Role of Spectroscopy as Separation Technique
- High Performance Liquid Chromatography
- Market Growth of Chromatography

Benefits/Advantages

- Scope of enhancing marketing opportunities and collaborations
- Exposure of your corporate logo in our Separation Techniques 2017 conference website
- Advertising high quality information of your company/products by linking through Conference Series LLC International Journals
- Interaction with World Class Experts from both Academia/Industries helps in updating the knowledge at interactive sessions
- Share your excitement in promoting your company and ideas with Eminent Scientists, Research Scholars & Related Companies
- Global networking: In transferring and exchanging Ideas
- Conference brings together Eminent Researchers, Business Entrepreneurs and Industry Developers
- We are looking forward for your active participation and make this event a memorable one

B2B Partnering

Separation Techniques 2017 conference has an excellent feature which aims at delivering unlimited opportunities for making business deals, product enhancements, cutting edge solutions for improving and elevating company's business and partnership. This unites all the leading industry professionals, business development executives, institutional investors, capitalists and corporate investors.

We expect your precious comments or suggestions on the structure of our Scientific Partnering, also your reference to other delegates will be highly appreciated. We look forward to receive your replies on the following questions.

1. Are you interested in joining as our Scientific Partnering partner?
2. What are you looking for? (Interaction with researchers, commercial partners, venture capital companies or any collaboration)
3. Do you have any suggestions for our Scientific Partnering?

Please submit your queries by email to: aging@conferenceseries.net, aging@conferenceseries.com

Daniel Joelsson

Merck and Company Inc , USA

Sponsorship and Exhibitor Benefits Program Congress Corporate Workshops

The Congress provides sponsoring companies to present corporate workshops in parallel to the Congress program. During these time companies can present new scientific approaches and technical research methods. This is an excellent opportunity to showcase new and interesting technologies to attendees. Over the past years the workshops have proven to be popular. The corporate workshops will be presented as breakfast, lunch or dinner workshops with a maximum of three workshops per time period on the dates noted below.

Registration to these workshops is free to all Congress delegates. The workshop program will be promoted prior to the Congress via the Congress website, Separation Techniques 2017, newsletters (Approximately 1,00,000 email recipients) and the final program book.

NOTE: No separate industry or corporate events may be held during the Conference period (October 23, 2017 07:00 AM to October 25, 2017 11:00 PM) without an agreement in writing from the Separation Techniques 2017 Organizers.
