Brown University, USA

Program Announcement

Venue

Orlando, USA

Important Dates

Abstract Submission Opens: June 1, 2016

Online Registration Opens: June 2, 2016

Early bird registration: November 15, 2016

On spot registration: March 20, 2017

Accommodation

A large number of rooms have been reserved. Discounted room rates for Smart Materials 2017 participants are proposed. Only reservations made through the Conference will benefit these rates. The Conference Center can be easily reached by public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Smart Materials & Structures.

About Orlando

Orlando, a city in Florida, is home of world famous theme parks. Chief among them is Walt Disney World, comprised of four parks, including the famous Magic Kingdom and Epcot, and 2 water parks. Another major player, Universal Orlando, offers two parks includes Universal Studios and Islands of Adventure, with the Wizarding World of Harry Potter straddling both. When you think of vacation itinerary, Orlando offers no shortage of things to do. Take advantage of experiences that are uniquely Orlando, splashing thrill rides at one of Orlando's multiple water parks or getting up close with alligators and wildlife at Gatorland. Adrenaline lovers can experience the thrill of indoor skydiving. The City of Orlando is the Theme Park Capital of the World is nicknamed "The City Beautiful". During 2014 its tourist attractions and events drew more than Sixty Two million visitors. The Orlando International Airport is the 13th busiest airport in the US and the Twenty Ninth busiest in the world. The City has a humid subtropical climate and is located on the border of USDA Plant Hardiness Zones 9A and 9B. There are 2 major seasons each year. One is hot and rainy, lasting from May until late September. The other is the dry, relatively cool season (October to April) bringing less frequent rainfall, yet still with warm temperatures. March is the best time to visit Orlando and experience it all on International Drive!
